Community Survey

Tell us what you think!

We want your feedback to help create our new strategic plan. Please take a few minutes to take our anonymous community survey by July 23. It's open to everyone – you don't need to be actively involved at Applegrove.

Your feedback will help us develop a plan that provides a vision for our future, a mission to guide us, and organizational values to describe the beliefs and principles we operate with. It will also set strategic directions and priorities to guide our work in the coming years so that we can best serve our communities.
