# Applegrove Summer Adventure Camp

## Camp Information

Camp is packed with lots of fun and excitement for children aged 6-12! It's a great place to meet new friends and learn new skills. Trained staff provide a safe, secure and structured environment where children can develop their own potential, self-confidence and sense of responsibility. This is accomplished through a variety of social, educational, cultural and recreational activities. As always, we've got some terrific trips and events planned too. Arts & crafts, co-operative games, swimming, theme days and a lot more will keep your children busy all week long!

**Location:** Weeks 1-7 will be at Roden Public School (151 Hiawatha Rd.) -Pending final confirmation. Week 8 will be at the Toronto Formosan Presbyterian Church (31 Eastwood Rd.).

**Lunches:** A healthy afternoon snack is provided but lunch is not. Please send a NUT-FREE lunch and a drink every day. Lunches will not be refrigerated and glass bottles and containers should be avoided.

**Behaviour:** We strive to create a safe and welcoming environment. ## Child and Youth Program Suspension Policy

We have a Three-Step Suspension System at Applegrove:

**First Step:** The staff inform the child verbally that they are receiving their First Warning. Parents/guardians are called to be informed and will receive a letter stating that their child received their first step to suspension. Staff and parents will discuss behaviours and to try and come up with solutions to prevent any further incidents. The First Warning and its circumstances are documented.

**Second Step:** The staff inform the child verbally that they are receiving their Second Warning. Parents/guardians are called to be informed and will receive a letter stating that their child is on the second step and further behaviours could lead to suspension from the program. The Second Warning and its circumstances are documented.

**Third Step:** The staff inform the child verbally they are receiving their third and final warning. Parents/guardians will be asked to pick up their child immediately and the child will be suspended from program. The length of which is determined by the Child and Youth Coordinator and the Program Director in consultation with the staff involved.

**Please note:** Severe incidents can lead straight to suspension, by-passing the three-step system. This decision will be determined by the Child and Youth Coordinator and the Program Director.
