Pat asked about the low youth participation and Liliana shared that there are various reasons e.g. this time of year some are preparing for exams. Susanne added that overall youth participation has been declining, especially since the pandemic. Jean asked about the risk that the TDSB camp permit for Roden may not be approved. Susanne felt that the risk of this was low.

#### H. East End Food Hub Presentation

Daniel presented the draft 2024 East End Food Hub Annual Report. He provided an overview of food hub space use and participation, which are trending well with weekly indoor markets emerging as a key way to engage people. He highlighted programming and social enterprise as areas of future focus. East End Regional United Ministry is leading a process to re-vision the Sanctuary, with some steps already taken to improve it as a multipurpose space. Jean noted that summer market traffic could be reflected in Food Hub stats. Daniel felt that this would skew actual traffic numbers at the Hub but that there are links. There was discussion on "connecting the dots" to create an ecosystem that balances serving basic food needs in the community with programming designed to increase revenue. Daniel thanked the board for its support of the Food Hub.

## L. Executive Director's Report

Susanne provided updates on cybersecurity. Applegrove will implement the City-approved Password Keeper tool. Based on discussion with the Office of the Chief Information Security Officer (CISO) on rightsizing AOCC risk assessments she plans to submit a simplified review request for a survey tool, Moneris vault and point of sale (POS) system. Susanne shared that mental health first aid training was held with participants from Don Summerville, Applegrove, Nourish East End and East End United Regional Ministry. She will circulate a call for Don Summerville scholarship and grant programs evaluators.

It is increasingly challenging to accommodate all staff and placement students in the office. We are adding a small desk, creating an overflow touchdown in the Archive Room and using remote shifts and scheduling to make it work. Susanne noted that she has contacted SDFA to inquire about the status of the facility relocation efforts and about lease renewals. They plan to do a site visit in mid-May.

The staffing transitions are going well and people are doing a great job in their new positions. Bargaining is expected to start soon. At a recent Toronto Neighbourhood Centres meeting for Executive Directors discussion was focused on concern about the sector due to ripple effects of the current political climate in the US, uncertainly about the federal election and the economy, rising costs and the challenges that some agencies are experiencing with government funders.

# Personnel and Policy Committee Meeting Minutes

April 10, 2025 - 5:00 pm

Present: Susan Munn (Chair), Tammy Rogers, Sara Ehrhardt

Staff: Susanne Burkhardt (recorder)

## 1. Notes from March 13 Meeting

No changes needed.

## 2. Staffing

## a) Staffing Updates

Susanne provided staffing updates. She reported on the status of the summer camp hiring process and that we expect to hire the same number of counsellors as last year.

#### b) Hiring Reports

Susanne provided an overview of the hiring reports for the Program Assistant and Afterschool Program Lead positions. Members noted that it was positive that internal applicants were applying for new positions.

Management Performance Evaluation Report
 Susanne will circulate a draft of this report to members for review prior to the Board meeting.

#### 3. Board

#### a) Board Self-Evaluation Results

Members reviewed and discussed the survey results. Some results were surprising as the information in question is covered in the orientation process and in the board manual. Members discussed potential issues like email fatigue and information overload. Strategies for sharing the information in a more effective way were discussed. Ideas included a staged approach to providing information and having more information available on the website. It was noted that a relationship to the programming is important, as Board members who are not involved in programming can feel disconnected. Staff has done a good job of providing opportunities for engagement, and work should continue on that.

## b) Board Manual Review

Members felt that generally the manual is comprehensive. The Diversity, Equity, Inclusion and Belonging (DEIB) section should be updated to better reflect ongoing

**Charitable Number: 10671 8943 RR0001** 

work. It was also recommended that an image be added for the strategic plan, and photos or a map to where Applegrove is and where it lies in the catchment.

## c) Board Orientation Process Review

Members reviewed the orientation process and recommended that the Applegrove 101 session be held in person, and that the board manual session be held in fall. It was also suggested that board members be encourage to drop in to committees that they do not sit on to get a sense of the details of the work being done.

## 4. Policy

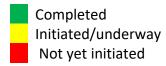

## a) 2025 Policy Work Plan Report

Members reviewed the report and agreed that good progress is being made. Susanne will add a legend to the report prior to sharing it with the board. Sara noted that she is available to review draft policies if helpful.

#### 5. Other Business

Susanne shared that the AOCC liaison person from Social Development, Finance and Administration (SDFA) division came to Applegrove for a site visit, as part of a series of visits to all AOCCs.

# Program Update – April 2025

## **Prenatal Program**

- Completed the Needs Assessment and the application for funding renewal for 2026-2030, as part of the coalition.
- Submitted the annual reports (April 1, 2024 March 31, 2025) and created a new budget to reflect the increase in allocated funding for the upcoming funding year.

## **EarlyON Programs**

- Attendance has been steadily high at the East End Food Hub location.
- Cooking and yoga sessions continue to draw new participants.
- Planning external speakers/workshops/experiences for May and the summer.

#### Afterschool

- The staff organized a large Easter egg hunt for all the kids in the program
- We are in the process of filling spots for September. Not as much turn over as usual and many younger siblings will be joining the program.

## **Youth Programs**

- Hired a new Peer Support Worker.
- Staff and youth supported the Spring Planting Workshop at Leslieville Market at the Food Hub.
- We are planning a door-to-door outreach campaign to local TCHC buildings.

#### **Summer Programs**

- We have submitted summer permits for Roden and are still awaiting confirmation.
- Finished hiring for the summer camp positions.
- Received 8 Canada Summer Jobs positions, which is an increase from the 5 positions we received last year, and for which we had budgeted this year.
- Spots are still available in week 1. Liliana is working hard on filling a few other weeks from the waitlists due to cancellations.

## **Older Adults**

- Social Prescribing seen 6 referrals in March/April alone, which is up from 1 in the prior year. Allows access to subsidies for seniors.
- Income Tax the clinic is wrapping up. Double the capacity from last year and were full most days. Totals to be reported in May.
- St. Jacob's trip and Mennonite tour On April 17 the seniors went on their first bus trip of the year. We increased the fee due to the high cost of the bus and based on seniors' feedback, and did not see a drop-in registration. Our trip fees remain very reasonable in comparison with what other organizations charge. One social prescribed senior attended for free.

 Active Living Survey Results – Chair yoga began again and we launched a pulse survey to find out what kind of physical activities the seniors were interested in. Yoga (floor and mat), Gentle Fitness classes and Pickleball were the top 3 responses.

## Food Hub https://www.eastendfoodhub.org/

## Programming:

- A joint program planning meeting was held on April 14 with Applegrove, Nourish East End, Leslieville Farmers Market and East End United Regional Ministry. A number of strong ideas emerged for join programming to be initiated in 2025.
- The April 14 Spring Planting Event at the Food Hub was successful. It was a beautiful day, so the event took place outdoors and many people came by to plant spring greens.
- The April Seniors Community Café is cancelled because the Food Hub will be used as a polling station for the federal election.

#### • Grants:

- Applegrove and Nourish submitted a grant application to the HelpAge Canada grant program to support the Community Café, Community Dinners and test out a variety of new monthly activities for vulnerable seniors.
- Applegrove, in partnership with Neighbourhood Food Project, East End United Regional Ministry (EEURM) submitted a 2-year grant application to the Metcalf Foundation application to improve the Sanctuary as a multi-purpose market hall. This ties into an ongoing EEURM process to re-vision the Sanctuary for the future, which is engaging all Food Hub partners.
- We have updated our City of Toronto Community Service Program (CSP) grant objectives and budget for the first time since 2020. This grant provides core operating funding for the Food Hub, and is confirmed until December 2026.

Board Members: Brian Buchan, Jean Lim O'Brien, Pat Jordan Staff: Susanne Burkhardt (recorder), Monica Vela

## 1. March 26 Meeting Minutes

No changes required.

#### 2. Finance

## a. Year to Date Financial Report

Monica presented the report. Brian noted that he expected to see the higher revenues highlighted in the previous report carry through to this month. Monica responded that the reasons behind the numbers involve timing of payments and reflects Community Service Partnership (CSP) funding that has been advanced for the Food Hub but not yet received. Monica reviewed the statement of financial position and noted that the GIC investment has not yet been made. Members had no questions.

## b. Audit Update

Monica shared that the audit went smoothly and no adjustment entries were required. The statements are being reviewed by Grant Thornton and we expect to receive them by May 9 for review by this Committee before going to the board.

## c. Grant Updates

Susanne shared that the required adjustment were made to the CSP budget and the amendment is ready to be signed. Funding applications have been submitted to the Metcalf Foundation and HelpAge Canada to support the market and seniors programming at the Food Hub.

## 3. Policy Development

## a. Draft Procurement and Payments Policy

Members reviewed and discussed the procurement quotation process and thresholds, and felt that their progression and the ability to source quotes in different ways makes sense for Applegrove. Brian asked whether AOCCs have access to City of Toronto RFP distribution sites. Susanne responded that she was not sure but that it would make sense to reference liaison with City staff on larger RFPS.

## 4. Revenue Generation

## a. Fundraising Working Group

Brian and Susanne will work together to set a date and agenda for the first meeting of this group.

# 5. Strategic Plan Implementation

Members reviewed and discussed the draft quarterly report template. Recommendations were to streamline the level of detail and to adjust the template so that it sets a planned timeline and shows progress in relation to that. One suggestion was to show quarterly milestones. Susanne will revise the template and circulate it to committee members.

## 6. Other Business

## a. Food Hub Reporting

Susanne shared that a detailed report to the Board on the Food Hub is being planned. The report will provide an overview/review of the Food Hub to date and plans for the future.

## b. AOCC Site Visit

Susanne reported that Shahina from SDFA is doing site visits to all of the AOCCs. She came to Applegrove on April 14 and Susanne provided a tour at the Woodfield site and Food Hub.

#### APPLEGROVE COMMUNITY COMPLEX

## Membership, Outreach & Inclusion Committee Minutes

April 16, 2025 at 7:00 p.m.

Present: Camille, Kirsten, Sarah

Staff: Susanne, Josh (recorder), Shernel

Regrets: Pierre, Liliana, Brian W.

## 1. Welcome and Introductions

Introductions were done.

## 2. Board-Staff Diversity, Equity, Inclusion & Belonging (DEIB) Committee

a. March 19 Meeting Minutes— no changes

## b. DEIB Work Plan Q 1 Report

Susanne spoke to the joint-training offered with Don Summerville for Mental Health First Aid, attended by two managers and three staff from Applegrove. Kristin asked if key takeaways could be shared and Susanne agreed that would be good for a staff meeting. Josh shared that the DEIB book club meets next month and the committee confirmed the book. Josh shared updates from the day's all-staff meeting, including introduction of the 'communication' category form the DEIB work plan and a DEIB reflection, provided by Susanne. Staff enjoyed the reflection and agreed to continue it at staff meetings with staff participation. The City's African Ancestral Acknowledgement was shared. Some staff agreed to be interviewed to create staff profiles. Susanne reminded members of May 20 food justice training for the board.

## c. Board Orientation Process.

Susanne presented the process for review with a DEIB lens. It was identified that the DEIB orientation will need to be updated to include the annual work plan. The Applegrove 101 training is to be in-person, which Camille felt will help members to connect. A Board Manual review session was recommended for September. Kristin appreciated the first board meeting in July as it was helpful to meet the board. The Applegrove 101 meeting should be before the first board meeting, at which officers and committee members are chosen. The AODA training is a legal requirement, and therefore a priority. Kristin asked if a training module existed for DEIB or Finance training. Susanne responded that there are no internal modules but the Strategy & Finance committee has identified online financial training. The committee agreed to look at DEIB training modules and create a suggested reading list for DEIB topics.

## d. Staff Pulse Survey.

It is time to do another pulse survey. Josh suggested a survey around developing the house rules/values per the DEIB work plan. Shernel believes the staff will have strong opinions on this topic and felt it was a good idea. The committee agreed and will move ahead on creating the survey.

## 3. March 19 MOI Committee Meeting Minutes - no changes

## 4. Board Recruitment and AGM Planning

## a. Board Recruitment Update

Susanne shared that no applications have been received to date, which is similar to last year. She recommended more targeted outreach; emailing afterschool parents and identifying individuals who may be of interest.

## b. Boardshift

Susanne shared the dashboard. Camille and Kirsten volunteered to look through the applicants and invite them to apply. Susanne will connect Camille Boardshift to facilitate this. Susanne reviewed methods for selecting board members, either through a vote or through a slate of candidates. The committee determined that putting forward a slate makes sense for Applegrove. Susanne reminded members that there were five vacancies, with two board members standing for re-election.

## c. AGM planning

Susanne shared that dessert is planned, with thinking on dinner and entertainment still underway. The new Program Assistant, Jakub, will be looped in to future meetings and will oversee organizing the event. Susanne also shared that the award winners have been chosen and will receive notice shortly.

## 5. Programs

a. 2024 Program Statistics – Deferred to next meeting

## 6. Other business

Susanne shared that the AOCC liaison person from Social Development, Finance and Administration (SDFA) division came to Applegrove for a site visit, as part of a series of visits to all AOCCs. It was a helpful opportunity to share Applegrove facility challenges.
